To the Operators of HARICA

Subject: “Subscription to HARICA PKI”

..... [Applicant’s Location] / / [Date],

We kindly request that our Organization joins HARICA. The Distinguished Name of our Organization is:

C = (2 letters from ISO 3166-1 alpha-2, e.g. “GR”)

L =¹

O =²

URL of portal:(e.g. ca.institution.gr)

PKI requests “validators”: (e.g. vharica@institution.gr)

Cities (Locality) where your Organization has points of presence (local branches) ³:

1.
2.
3.

Application for new Subordinate CA from HARICA

Our Organization would like to use HARICA’s validation methods to sign digital certificates for Users and Servers. Our Organization will use HARICA as a Registration Authority where our users will apply for digital certificates

Selection of new user Enrollment:

- Enrollment by validating identity via SAML2 (e.g. shibboleth) ⁴
- Enrollment by validating control of the user’s personal e-mail address and confirm identity from authorized personnel (“validators”) of the Organization.

¹ Locality (City) of Applicant’s main offices

² Official Applicant name in English

³ Locality (City) of Applicant’s other branches

⁴ This method is allowed only if the Organization offers the user information in English
